

Being a guest in this Maison and resting sitting opposite the Mediterranean means savouring the magic of Mergellina. To really understand the essence and beauty of Mergellina, just peruse a copy of the book, “Elogio a Mergellina” (G.Porcaro, Berisio Editore, Napoli 1967) from Michele’s copious library and read the verses of T. Buchanan Read eulogising Mergellina: “*With dreamful eyes my sprit lies, Under the walls of Paradise*”.
